INDEPENDENT AUDITOR'S REPORT

Board of Directors
Arizona Private Education Scholarship Fund, Inc. and Affiliate
Scottsdale, Arizona

I have audited the accompanying consolidated financial statements of Arizona Private Education Scholarship Fund, Inc. (a nonprofit organization) and Affiliate, which comprise the Statements of Assets, Liabilities and Net Assets - Modified Cash Basis as of June 30, 2020 and 2019 and the related Statements of Revenues, Expenses, and Other Changes in Net Assets - Modified Cash Basis, and Statements of Cash Flows - Modified Cash Basis for the years then ended, and the related Statement of Functional Expenses - Modified Cash Basis for the year ended June 30, 2020 with summarized comparative totals for the year ended June 30, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with the modified cash basis of accounting as described in note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these consolidated financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the consolidated financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Arizona Private Education Scholarship Fund, Inc. and Affiliate as of June 30, 2020 and 2019, and its support, revenue, expenses and cash flows for the years then ended in accordance with the modified cash basis of accounting as described in note 1.

Basis of Accounting

I draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. My opinion is not modified with respect to this matter.

Summarized Comparative Information

I previously audited Arizona Private Education Scholarship Fund, Inc. and Affiliate's June 30, 2019 financial statements and in my opinion dated November 15, 2019, stated that based on my audit, the financial statements present fairly, in all material respects, the assets, liabilities, and net assets of Arizona Private Education Scholarship Fund, Inc. and Affiliate as of June 30, 2019, and its support, revenue, expenses and cash flows for the year then ended in accordance with the modified cash basis of accounting as described in note 1. I am not aware of any material modifications that should be made to the statement of functional expenses summarized comparative information presented herein for the year ended June 30, 2019, for it to be consistent with the audited financial statement from which it has been derived.

Notes to Financial Statements
For the years ended June 30, 2020 and 2019

(1) **Summary of Significant Accounting Policies**

BASIS OF ACTIVITIES AND PRESENTATION - The consolidated financial statements include Arizona Private Education Scholarship Fund, Inc. and STO Management Group, LLC and are collectively referred to in these financial statements as "APESF".

The affiliated entity has common management and shares the primary objective of providing scholarships to qualified students attending private schools in the state of Arizona. Arizona Private Education Scholarship Fund, Inc. is the sole member of STO Management Group, LLC.

The accompanying financial statements have been prepared on the modified cash basis of accounting; consequently, certain revenues are recognized when received rather than when earned and certain expenses are recognized when cash is disbursed, rather than when the obligation is incurred. Under the modified cash basis of accounting, APESF capitalizes and depreciates its donated and purchased plant assets and recognizes liabilities for loans and credit cards.

APESF is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

The financial statements include certain prior-year summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with the modified cash basis of accounting. Accordingly, such information should be read in conjunction with APESF's financial statements for the year ended June 30, 2019, from which the summarized information was derived.

NATURE OF ACTIVITIES - Arizona Private Education Scholarship Fund, Inc. is a School Tuition Organization developed under the guidelines provided in the Arizona Private School Tuition Tax Credit Law of 1997 as amended. Founded in 1998 to provide scholarships to qualified students attending private schools in the State of Arizona, its mission is to provide qualified students seeking a choice in their educational careers with the necessary financial support to be successful students and productive citizens in the community.

CASH AND CASH EQUIVALENTS - For purposes of the statement of cash flows, APESF considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

USE OF ESTIMATES - The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

PLANT ASSETS AND DEPRECIATION - APESF capitalizes equipment with a cost of over \$1,000. Maintenance and repairs are charged to expense as incurred.

Depreciation is recorded based on the estimated useful life of the asset using the straight-line method.

SUPPORT WITH DONOR RESTRICTIONS AND WITHOUT DONOR RESTRICTIONS - Contributions received are recorded as support without donor restrictions or with donor restrictions, depending on the existence and nature of donor restrictions.

Donor-restricted support is reported as an increase in net assets with donor restrictions.

See independent accountant's audit report.

(1) **Summary of Significant Accounting Policies (continued)**

SUPPORT WITH DONOR RESTRICTIONS AND WITHOUT DONOR RESTRICTIONS (continued)

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Revenues, Expenses, and Other Changes in Net Assets - Modified Cash Basis as net assets released from restrictions.

NON-CASH CONTRIBUTIONS - Contributions of plant assets are recorded as support at their estimated fair value at the date of contribution. Such contributions are reported as support without donor restrictions unless the donor has restricted the asset to a specific purpose. Assets contributed with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Absent donor stipulations regarding how long those contributed assets must be maintained, APESF reports expirations of donor restrictions when the assets are placed in service as instructed by the donor. APESF reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

EXPENSE ALLOCATIONS - The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Support, Revenues and Expenses - Modified Cash Basis and the Statement of Functional Expenses - Modified Cash Basis. Accordingly, certain costs have been allocated among the programs and support services benefitted. Administration expenses include those expenses that are not directly identifiable with any specific program but provide for the overall support and direction of APESF. Fundraising expenses include allocable overhead costs and direct expenses related to soliciting contributions. Certain shared costs, as well as salaries and benefits, are allocated on the basis of estimates of time and effort.

ADVERTISING COSTS - Total advertising costs were \$30,445 for the year ended June 30, 2020 and \$63,211 for 2019.

RECENT ACCOUNTING PRONOUNCEMENTS - In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which is effective for annual periods beginning after December 15, 2018. The ASU will supercede most current revenue recognition guidance. The core principle of the new guidance is that an entity will recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard provides a five-step analysis of transactions to determine when and how revenue is recognized. Additionally, the guidance requires disclosures related to the nature, amount, timing, and uncertainty of revenue that is recognized. APESF analyzed the provisions in this ASU and came to the conclusion that no changes are necessary to conform with the new standard. APESF does not have any contracts with customers at this time.

In November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230) Restricted Cash*, which is effective for annual periods beginning after December 15, 2018. This ASU requires that a statement of cash flows explain the change during the period in the total cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The amendments in the ASU do not provide a definition of restricted cash or restricted cash equivalents.

See independent accountant's audit report.

(1) **Summary of Significant Accounting Policies (continued)**

The change has the following effect at June 30, 2019:

	As Originally Presented	After Adoption of ASU 2016-18
Statement of Cash Flows		
Cash and cash equivalents - ending	\$2,807,232	\$ -
Cash, cash equivalents and restricted cash - ending	-	\$2,807,232
	-----	-----
Total	\$2,807,232	\$2,807,232
	=====	=====

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which is effective for annual periods beginning after December 15, 2018. The ASU clarifies and improves guidance for contributions received and contributions made, and provides guidance to organizations on how to account for certain exchange transactions. This change is preferable in that it clarifies whether to account for transactions as contributions or as exchange transactions. In addition, it clarifies whether a contribution is conditional. As a result, it enhances comparability of financial information among not-for-profit entities.

The change in accounting principle was adopted on a modified prospective basis as of July 1, 2019. As a result, there was no cumulative-effect adjustment to opening net assets without donor restrictions or opening net assets with donor restrictions as of July 1, 2019. In comparison to the year ended June 30, 2019, there was no effect on contribution reporting from adopting this new accounting principle.

(2) **Liquidity and Availability of Financial Assets**

The Organization has the following financial assets available within one year of the balance sheet date to meet cash needs for general expenditures:

Less: amount to be expended or allocated by June 30, 2022	(3,020,739)

Financial assets available to meet cash needs for general expenditures within one year	\$ 877,573
	=====

Arizona State Law requires the Organization to expend at least 90% of its cumulative tax credit program contributions for grants or scholarships to children to allow them to attend any qualified school of their choice. The remaining 10% is available for general expenditures.

The Organization manages its liquid resources by employing a variety of measures. The Organization focuses on generating adequate contributions to cover the costs of its activities and monitors costs closely.

(9) **Uncertain Tax Positions**

APESF implemented accounting guidance related to uncertain tax positions. Using that guidance, tax provisions initially need to be recognized in the financial statements when it is more-likely-than-not that the position will not be sustained upon examination by the tax authorities.

As of June 30, 2020, APESF had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. APESF will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred.

Future payments on the lease are as follows:

Year ending <u>June 30,</u> 2021	\$30,968 =====

On January 1, 2016, APESF signed two subleases with related parties. Total rental income received under the subleases was \$18,033 for the year ended June 30, 2020 and \$18,805 for the year ended June 30, 2019.
