# WHY AVERY LOVES ARIZONA

CREATED BY AVERY, A THIRD GRADER AT ST. THERESA CATHOLIC SCHOOL

I love living in Arizona. It is always the perfect weather to ride my bike outside or go in the pool. I love the heat. The sunsets are very beautiful.

I love swimming. Arizona has beautiful flowers. I love my school and my friends. My Grandpa even moved to Arizona because I like it so much. He used to live far away, but now I get to see him much more. Arizona is a great place to live.
