DISPLACED STUDENT VERIFICATION

PARENT/GUARDIAN: In order to award disabled-displaced scholarships, we must verify the student's displaced status through the Department of Child Safety. For us to do this, please provide the information requested below. Out-of-state, international and private Arizona adoptions DO NOT QUALIFY. Please DO NOT SUBMIT court documents, email exchanges with CPS workers, or anything of that nature. Incomplete forms will not be accepted.

Please note: The eligibility amount for each student is determined by the displaced status and student grade. Students can receive up to 90% of state aid OR the cost of tuition (whichever is less) in disabled-displaced funding. Students CANNOT receive both STO and ESA funding at the same time. Students can receive disabled-displaced scholarships and other STO scholarships in the same academic year.
