General Information

This credit provides a nonrefundable corporate income tax credit for contributions made to a school tuition organization (STO), authorized to receive corporate donations, that provides scholarships or grants to qualified schools. This credit must be pre-approved by the Arizona Department of Revenue. The STO must be certified pursuant to Chapter 15 of Title 43 at the time of donation.

Contributions designated for the direct benefit of a specific student will not qualify for the credit.

This credit is in lieu of any deduction taken under Internal Revenue Code § 170 for state tax purposes.

A taxpayer cannot claim this credit and the credit claimed on Form 341 for the same contribution.

The tax credit is equal to the amount the department has preapproved. Once pre-approved, the taxpayer has 20 days in which to make the contribution to the STO.

The tax credit is available to corporate taxpayers, corporate partners, exempt organizations subject to corporate income tax on unrelated business taxable income (UBTI), or S Corporation individual shareholders.

- A partnership may pass this credit through only to its corporate partners, each of which may claim a pro rata share of the credit based on their ownership interest.
- An exempt organization may utilize this credit only if it results from activities that generate UBTI.
- An S Corporation may claim this credit against income Arizona is taxing at the corporate level, or it may make an irrevocable election to pass this credit through to its individual shareholders.
 - To pass this credit through to its individual shareholders, the S Corporation must make minimum contributions of \$5,000 to School Tuition Organizations or to School Tuition Organizations for Displaced Students or Students With Disabilities in a taxable year.
 - Each individual shareholder may claim only a *pro rata* share of the credit based on the individual's ownership interest in the S Corporation.

Any *pro rata* shares that would be distributed to non-eligible partners (individual partners in a partnership), or estates or trusts (shareholders in an S Corporation) is lost.

The total of the credits allowed to all owners may not exceed the amount that would have been allowed to a sole owner of the business.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five consecutive taxable years as a credit against subsequent years' income tax liability.

Claiming the Credit

This credit must be pre-approved by the Arizona Department of Revenue before it can be claimed. The process for obtaining pre-approval for the credit is available on our website: www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits."

Before claiming the credit, obtain a copy of the STO's preapproved application. Include a copy of the pre-approved application with Form 335. Failure to do so could result in a disallowance of this credit.

The department will preapprove the credits on a first-come, first-served basis. The pre-approval process works as follows:

- Before making the contribution, the taxpayer notifies the STO of the intended amount.
- The STO requests pre-approval from the Arizona Department of Revenue.
- The Arizona Department of Revenue pre-approves or denies the request within twenty days after it has received the request, and notifies the STO.
- If the request is pre-approved, the STO notifies the taxpayer immediately.
- The taxpayer must make the contribution within twenty days of receiving notice from the STO.

QUALIFIED SCHOOL TUITION ORGANIZATION REQUIREMENTS

The STO receiving contributions under this program must be certified pursuant to Chapter 15 of Title 43 at the time of donation.

A listing of certified School Tuition Organizations is available at www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits", and then click on "School Tuition Organizations Certified to Receive Corporate Donations."

Completing the Form

Complete the name and employer identification number (EIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

NOTE: If the entity passing this credit through has a different tax year-end than the taxpayer, the taxpayer may only claim this credit on its tax return for that year. For example, if the entity passing this credit through has a tax year end of February 2021, claim this credit on the taxpayer's 2021 return.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for a corporation, an exempt organization with UBTI, an S Corporation, or a partnership is the taxpayer's EIN. Taxpayers that fail to include their TIN may be subject to a penalty.

General Information

This credit provides a nonrefundable corporate income tax credit for contributions made to a school tuition organization (STO) authorized to receive corporation donations that provides scholarships or grants to displaced students or students with disabilities. This credit must be pre-approved by the Arizona Department of Revenue. The STO must be certified pursuant to Chapter 15 of Title 43 at the time of donation.

Contributions designated for the direct benefit of a specific student will not qualify for the credit.

This credit is in lieu of any deduction taken under Internal Revenue Code § 170 for state tax purposes.

A taxpayer cannot claim this credit and the credit claimed on Form 335 for the same contribution.

The tax credit is equal to the amount the department has preapproved. Once pre-approved, the taxpayer has 20 days in which to make the contribution to the STO.

The tax credit is available only to corporate taxpayers, corporate partners, exempt organizations subject to corporate income tax on unrelated business taxable income (UBTI), or S Corporation individual shareholders.

- A partnership may pass this credit through only to its corporate partners, each of which may claim a *pro rata* share of the credit based on their ownership interest.
- An exempt organization may utilize this credit only if it results from activities that generate UBTI.
- An S Corporation may claim this credit against income Arizona is taxing at the corporate level, or it may make an irrevocable election to pass this credit through to its individual shareholders.
 - To pass this credit through to its individual shareholders, the S Corporation must make minimum contributions of \$5,000 to School Tuition Organizations or to School Tuition Organizations for Displaced Students or Students With Disabilities in a taxable year.

 Each individual shareholder may claim only a pro rata share of the credit based on the individual's ownership interest in the S Corporation.

Any *pro rata* shares that would be distributed to non-eligible partners (individual partners in a partnership), or estates or trusts (shareholders in an S Corporation) is lost.

The total of the credits allowed to all owners may not exceed the amount that would have been allowed to a sole owner of the business.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five consecutive taxable years as a credit against subsequent years' income tax liability.

Claiming the Credit

This credit must be pre-approved by the Arizona Department of Revenue before it can be claimed. The process for obtaining pre-approval for the credit is available on our website: www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits."

Before claiming the credit, obtain a copy of the STO's preapproved application. Include a copy of the pre-approved application with Form 341. Failure to do so could result in a disallowance of this credit.

The department will preapprove the credits on a first-come, first-served basis. The pre-approval process works as follows:

- Before making the contribution, the taxpayer notifies the STO of the intended amount.
- The STO requests pre-approval from the Arizona Department of Revenue.
- The Arizona Department of Revenue preapproves or denies the request within twenty days after it has received the request, and notifies the STO.
- If the request is pre-approved, the STO notifies the taxpayer immediately.
- The taxpayer must make the contribution within twenty days of receiving notice from the STO.

QUALIFIED SCHOOL TUITION ORGANIZATION REQUIREMENTS

The school tuition organization receiving contributions under this program must be certified pursuant to Chapter 15 of Title 43 at the time of donation

A listing of certified School Tuition Organizations is available at www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits", and then click on "School Tuition Organizations Certified to Receive Corporate Donations."

Completing the Form

Complete the name and employer identification number (EIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

NOTE: If the entity passing this credit through has a different tax year-end than the taxpayer, the taxpayer may only claim this credit on its tax return for that year. For example, if the entity passing this credit through has a tax year end of February 2021, claim this credit on the taxpayer's 2021 return.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for a corporation, an exempt organization with UBTI, an S Corporation, or a partnership is the taxpayer's EIN. Taxpayers that fail to include their TIN may be subject to a penalty.
